INVITATION

The 36th International Symposium on Chemical Engineering will be held on December 5-7, 2025 at Kongju National University in Cheonan, Korea. We are pleased to announce this symposium for your invitation and call for papers. This symposium is of great interest for students as well as participants from Asian universities to provide them with opportunities to exchange information on the advanced ideas and technologies in Chemical Engineering fields. This symposium has been recognized as the longest and largest student symposium in the world, since it began in 1988. We cordially invite you to participate in this meaningful, forecasting, and prospective symposium for the next generation and our future world.

We hope that this symposium will be an effective learning and enjoying opportunity for participants to exchange their warm-hearted friendship as well as emerging information and opinions through the presentations and discussions. We sincerely look forward to your participation.

VENUE & DATE

The Symposium will be held at Kongju National University, Cheonan, Korea, during December 5-7, 2025.

SCIENTIFIC SESSIONS

A Biotechnology D Reaction & Reactors

B Energy & Environment E Thermodynamics & Separation C Advanced Materials S Keynote Session (Invited only)

SUBMISSION OF ABSTARCT

Contributed papers for oral sessions will be selected on the basis of the submitted abstract. Abstracts should be submitted before the deadline to the followings:

Korea and other countries: Professor Yong Kang (kangyong@cnu.ac.kr)

Japan: Professor Syouhei Nishihama (nishihama@kitakyu-u.ac.jp)

Taiwan: Professor Hsiu-Po Kuo (hsiupokuo@ntu.edu.tw)

One-page short abstract (Format is attached on the last page) should be submitted by July 31, 2025.

PROCEEDINGS

- 1. Use A-4 papers. Fundamentally follow the style of the preceding years. Two pages per presentation are strongly encouraged. You may use smaller fonts than those in abstracts of the preceding years.
- 2. Please e-mail a 2-page manuscript by October 15, 2025.

PRESENTATION FORMAT

Papers will be presented in the oral sessions, based on the selection made during the abstract submission. Please note that the format of presentation can be changed by the Local Organizing Committee depending on the situation.

The time allotted for each oral presentation is 10 minutes including discussion, but 20 minutes for keynote presentation including questions, comments and answers.

LANGUAGE

The official language of the symposium will be English. No translation will be provided.

REGISTRATION

To avoid confusion and congestion in the early morning at the conference site, the registration will be made by means of pre-registration (by **November 10, 2025**).

The registration fee is as follows:

Professors/Staffs: 200,000 Won (Korean), 20,000 Yen (Japanese), 4,600 NTD (Taiwanese) Students: 100,000 Won (Korean), 10,000 Yen (Japanese), 2,300 NTD (Taiwanese)

• Participants from other countries can choose one of money terms described above.

SYMPOSIUM SCHEDULE

December 5, 2025

18:00-20:00: International Organizing Committee Meeting

December 6, 2025

08:30-09:00: Registration

09:00-16:30: Oral Presentations (including Lunch)

16:30-17:30: Meeting for student awards

18:00-20:00: Conference Dinner

December 7, 2025

09:00-12:00: Discussion for recent international issues in Chemical Engineering

IMPORTANT DATE

Deadline for 1-page short abstract: July 31, 2025 Notification of Abstract acceptance: August 31, 2025 Deadline for 2-page abstract: October 15, 2025

Pre-registration: November 10, 2025

Symposium: December 5, 2025

For further information, please contact:

Professor Yong Kang (<u>kangyong@cnu.ac.kr</u>) (+82-10-4414-5688)

Professor Syouhei Nishihama (nishihama@kitakyu-u.ac.jp)

Professor Dun-Yen Kang (dunyen@ntu.edu.tw)
